

Audit goes digital!

KPMG
KARRIERE
EVENTS

Take a look behind the scenes with KPMG.

Digitalization is increasingly influencing our working environment and is part of the daily agenda at most companies - but what does digitalization have to do with auditing?

A whole lot! Checking boxes and poring over files - that was yesterday. We audit digitally and data-based with the latest auditing techniques. You can expect exciting insights into the world of work at KPMG and the auditing of today and tomorrow.

Join us and shape the digital transformation!
